

Terms & Conditions

- To be eligible, you must make at least \$500 in purchases on your credit card during the program earning period noted on your welcome letter. Your spending level is determined by each dollar in net purchases posted on your credit card account during the program period. Cash Advances and Balance Transfers do not count toward the spending level. Any associated returns credited to your account will be subtracted from your spending total.
- FastTrack bonus points awarded only after program end. To be eligible for the FastTrack program, your account must be open and in good standing (as further explained in your Cardholder Agreement) at the time reward qualification is determined.
- Each account can apply a maximum of \$1,500 in purchases towards FastTrack bonus points. The maximum FastTrack bonus points awarded is 1,500 points. Card members with multiple credit card accounts qualifying for the FastTrack program, cannot combine FastTrack spending to achieve higher spending levels.
- For questions regarding the FastTrack program, call the FastTrack Headquarters Customer Service number (888) 257-8365. This offer is not extended where prohibited by law. Every effort has been made to ensure that all information and all program materials are accurate. FIS, your financial institution or association are not responsible for printing errors or omissions. FIS, your financial institution or association reserves the right to change or cancel this FastTrack program at any time without notice.
