Roadside Assistance

24/7 Toll-Free Dispatch 1-888-727-1270

Road and Travel will give you the peace of mind you need, whether you are traveling around town or on a cross country road trip. Whenever you or your spouse has a problem with a disabled car, motorcycle or small truck under one (1) ton capacity, help can be obtained through your Road and Travel membership. This emergency road and tow benefit applies to any non-commercial vehicle you are driving at the time of disablement. Any car owned, leased or borrowed by a member will be covered.

TOWING

When your vehicle is disabled due to mechanical breakdown, Roadside Assistance will arrange for a tow to the nearest service facility of your choice up to the service expense equivalent of \$100.00. Additional expense will be your responsibility to pay directly to the towing service facility at time service is provided and is not reimbursable. The Roadside Assistance program will only tow vehicles to commercial service facilities. Tows to personal residences are NOT covered.

WINCHING

If your vehicle is stuck in a ditch, mud or snow, but it is accessible from a normally traveled road, service will be given to either tow or winch the vehicle. Dispatch coverage for winching is limited to \$100.00; any expense incurred beyond \$100.00 will be the responsibility of the member payable directly to the service facility and is not reimbursable.

FUEL DELIVERY

An emergency supply of fuel will be delivered to a member in immediate need. The member must pay for fuel at the current pump price at time of delivery and charges are not reimbursable.

BATTERY SERVICE

Battery service is available to provide a battery jump, even if it is in your driveway.

FLAT TIRE ASSISTANCE

A flat tire will be changed with your spare tire. If, for any reason, the spare is not usable, the lug nuts cannot be removed or the vehicle has two flat tires with one usable spare, towing will be provided in accordance with the towing provisions.

LOCK OUT SERVICE

If your keys are locked in the vehicle, assistance will be provided to gain entry into the vehicle. In the event the keys are lost and a replacement key is required, you will be responsible for the total cost of a new key.

5. Please cancel your request for service immediately if it's no longer needed by calling us back utilizing the toll-free number for dispatch service.

Roadside Assistance Reimbursement

If for any reason the Roadside Assistance dispatch center cannot provide the benefits listed in this Program, ***you must obtain an authorization number for reimbursement from the Roadside Assistance dispatch center*** to use at the service provider of your choice. The Roadside Assistance Administrator will reimburse you up to \$100.00 or the specific amount listed above in the covered expenses (whichever is less) upon presentation of the original paid service provider receipt. The authorization number is required to be eligible for reimbursement. All documentation should be mailed to:

Roadside Protect, Inc. c/o Auto Road Service

Service for vehicles with expired safety inspection sticker, license plate sticker, and/or emission sticker(s) where required by law. Service for vehicles illegally parked or impounded.
